## APPEAL REQUIREMENTS AND GUIDELINES

**To appeal, submit the items below while following the provided guidelines for each item.**

- ✓ Provide a TYPED statement describing the reasons and the circumstances that caused you to fail to meet the required minimum standards. Be specific in your explanation since incomplete information may result in the denial of your request. Remember, the reason(s) provided must match one of the qualifying appeal categories. Your attention should be focused on the particular terms and/or courses you did not successfully complete (withdraw and other non-passing grades).
  
- ✓ Provide a second TYPED statement outlining the SPECIFIC STEPS you intend to take in the next semester to improve your academic performance. This statement should be detailed and thorough, demonstrating your commitment to achieving the minimum standards.
  
- ✓ Provide a letter of support from an individual who is familiar with your circumstances. This letter must include the individual's name, relationship to you, phone number, and signature. This letter may come from a faculty member, advisor, clergy member, counselor, or otherwise informed individual who is knowledgeable of your situation. **It is *highly advised* that this letter come from someone outside your immediate family.**
  
- ✓ Complete the table below by listing the courses in which you plan to enroll for the next TWO academic terms. For example, if the appeal is submitted prior to the spring semester, the listed courses would be for the spring term and either the summer or following fall term (since summer is not a standard term). You are encouraged to meet with a faculty member or academic advisor for assistance in completing this progress plan.

**Do not discuss your need for financial aid as part of your appeal rationale. It is assumed that any student filing an appeal is doing so based on their need for financial aid.**

**Appeal statements must be signed, dated, and attached to this completed appeal form.**
