

Missouri Valley College  
Marshall, MO

Assistant Professor of Chemistry

The Division of Math/Science at Missouri Valley College, a private liberal arts college, invites applications for an Assistant Professor of Chemistry to begin August 2018. Must be able to teach General Chemistry, Environmental Science, and possibly other physical and/or earth science-related courses depending on qualifications. Other duties include serving on campus committees and advising students. Minimum qualifications include a Master's degree in Chemistry or Chemistry related field, preferably a Ph.D., and teaching experience. Collegiality, professionalism, and a strong commitment to teaching excellence and to the college mission are necessary qualifications. Familiarity with Google Apps for Education and Moodle preferred. To apply, please email cover letter, c.v., copies of unofficial graduate transcripts, names and contact information for three professional references, and a statement of teaching philosophy to Dr. Katherine Adams, Chair of the Math/Science Division, [adamsk@moval.edu](mailto:adamsk@moval.edu). Applications should be submitted by January 31, 2018. EOE. Employment at MVC is contingent upon satisfactory completion of background check and legal authorization to work in the United States.
