

Missouri Valley College
Marshall, MO

The Division of Health Science at Missouri Valley College, a private liberal arts college, invites applications for a full-time faculty position to begin August 1, 2018. The focus of this position is the newly proposed Master's degree in Fitness Management. Teaching load may include courses from the following areas: organization and administration, exercise science, clinical application / exercise prescription.

Qualifications: Doctorate in Exercise Science or related field preferred with minimum of master's in the field with relevant tested experience in the discipline required. Preferred qualifications: NSCA certification, experience in the health and wellness field as a personal trainer or strength coach. Collegiality, professionalism, a strong commitment to teaching excellence and the college mission, and willingness to serve on campus committees and to advise students are also necessary qualifications. Missouri Valley College utilizes Google Apps for Education and Moodle. To apply, please email cover letter, CV, contact information for three professional references, a statement of teaching philosophy, and copies of unofficial transcripts to John Bartholomew, Chair of Health Sciences, bartholomewj@moval.edu.

Review of applications begins March 12, 2018. EOE. Employment at MVC is contingent upon satisfactory completion of background check and legal authorization to work in the United States.
