

Network Technician

Missouri Valley College, a private, four-year liberal arts college, is seeking a Network Technician.

Responsibilities include primary help desk for staff and students, maintenance and setup on phone system, and Cat5 cabling maintenance and new installations.

Potential candidates must have experience with cabling, Windows Operating Systems and Microsoft Office. A Bachelor's or Associate's along with previous experience is preferred.

Interested candidates should send a current resume and list of references to:

Jason Rinne, Systems Administrator, 500 E. College, Marshall, MO 65340. rinnej@moval.edu

A review of applications will begin immediately and will continue until the position is filled.
